WHAT is Columbus Day?

Columbus Day is a national holiday. October 12 is Columbus Day, but we celebrate it on the second Monday of October.

1451

Christopher Columbus was born in 1451 in Portugal. His parents were Susanna and Domenico Colombo. Columbus' father was a weaver.

1470

Columbus began sailing at a young age. In 1470, at the age of 19, he joined the crew of a ship and sailed to many places.

1477

In 1477, Columbus eventually moved to Genoa, Italy. He ran a shop in Portugal where he sold maps to sailors. He asked the King of Portugal for ships to make a voyage to the Americas in the hopes of finding valuable jewels and spices. The King of Portugal refused to help Columbus.

The image shows a screenshot of a web browser displaying an interactive timeline titled "Christopher Columbus Timeline". The main content area features a historical map of the Mediterranean region with a large, handwritten-style "1451" overlaid on it. Below the map, the text "Born in Genoa, Italy." is displayed. A smaller, more detailed map of Italy is shown in the bottom right corner, with a magnifying glass icon over it. The timeline at the bottom of the page has several markers: 1451 (with a speaker icon), 1470, 1477, 1486, August 1492, October 1492, 1492~1504, and 1506. The browser's address bar shows the URL: <http://www.pricewebsites.com/projects/Christopher Columbus Timeline output>. The browser interface includes navigation arrows, a search icon, a keyboard icon, and a refresh icon.
